MARQUEE SUB-STRUCTURES & GROUND-LEVELLING PLATFORMS

For customised solutions and dependable expertise, trust us to bring your vision to life.

Our specialised scaffold support systems and ground-levelling solutions provide the flexibility to position your event structures almost anywhere, regardless of uneven ground or challenging heights.

With support from accredited Structural Engineers and a dedicated Design Team, we deliver safe, cost-effective, and tailored sub-structures for events of any scale.

Event & Media Structures has extensive experience designing and installing ground levelling platforms and support systems for prestigious events across the UK and Europe. By utilising advanced materials and technologies, including Layher systems, modular solutions, and traditional scaffolding, we can create bespoke sub-structures to suit any temporary event structure.

APPLICATIONS INCLUDE:

- ▶ Temporary ice rinks
- ▶ Marquee sub-structures
- ▶ Event walkways and raised platforms
- ▶ Viewing platforms for sporting events
- ▶ Music festival staging
- ▶ Marketing activations and showcases
- ▶ Film and broadcasting setups
- ▶ Shows and exhibitions

LAYER SCOREBOARDS & ADVERTISING BOARDS

Our scoreboards and advertising structures have been a trusted choice at prestigious sporting events and high-profile occasions for many years.

Built using traditional scaffolding or Layher systems, these robust solutions are designed to withstand the toughest conditions while ensuring maximum visibility and impact.

At Event & Media Structures, we custom design and construct each scoreboard to meet your specific aesthetic requirements. Options include high-density netting or wood finishes, painted to match event themes or colour schemes.

In addition, we provide freestanding scaffold structures for advertising or displaying key event information, with the option to design and supply custom decals and graphics as part of our comprehensive event branding service.

MAIN USES INCLUDE

- ▶ Scoreboards/Leaderboards
- ▶ Promotional content
- ▶ Way finding signs
- ▶ Public information
- ▶ Sponsorship advertising
- ▶ Event information

Bring your event branding to life with reliable, tailored solutions.

LAYHER TOWERS & PLATFORMS

Event & Media Structures has supplied bespoke camera towers and state-of-the-art viewing platforms to leading names in media and television.

Whether for broadcasting, recording, or spectating, we deliver tailored solutions designed to provide the best view without compromising on safety or functionality. Using traditional scaffolding or Layher system scaffolding, we ensure every structure is engineered for reliability and performance.

Our comprehensive service covers every detail, from design and engineering to hoarding and branding, so you can focus on your event or production.

CAMERA TOWER WOMEN'S SCOTTISH OPEN

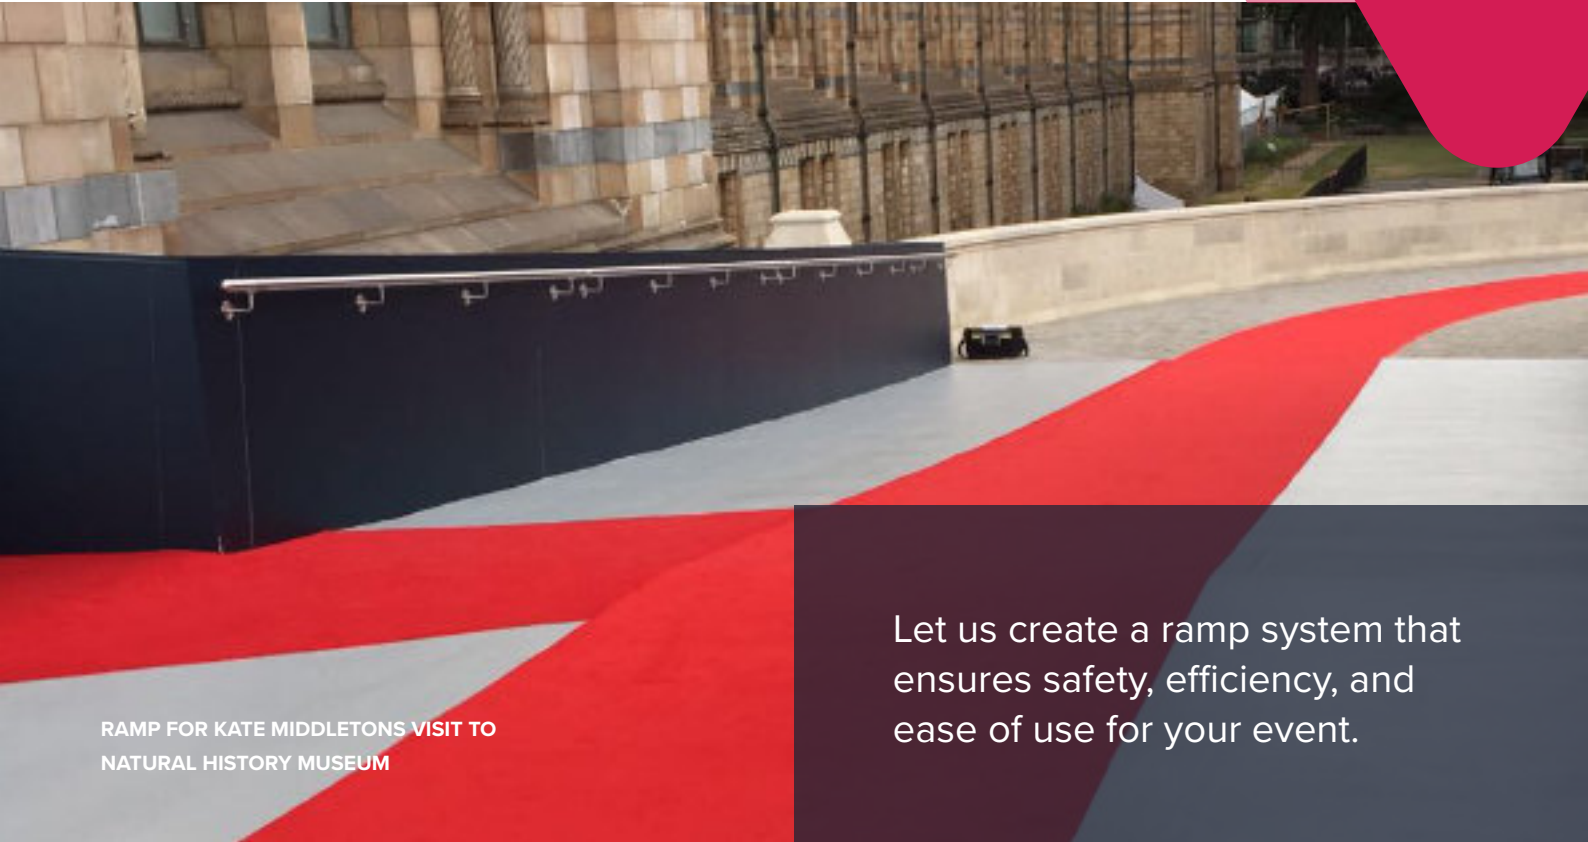

MAIN USES INCLUDE

- ▶ Camera towers
- ▶ Spectator towers
- ▶ Abseiling towers
- ▶ Cable towers
- ▶ Lighting platforms
- ▶ Security towers
- ▶ Mobile towers
- ▶ Promotional towers
- ▶ Commentary platforms

Contact us today to discover how we can support your next event or project with dependable and innovative tower solutions.

TEMPORARY RAMPS

RAMP FOR KATE MIDDLETONS VISIT TO
NATURAL HISTORY MUSEUM

Let us create a ramp system that ensures safety, efficiency, and ease of use for your event.

Ensure safe and accessible pathways for all event requirements with our comprehensive ramps solutions. Whether for disabled access, backstage operations, or transporting heavy equipment, our ramps are designed to meet your exact needs.

From simple back-of-house systems to elegant, carpeted access ramps with bespoke glass balustrades, we provide tailored solutions for any situation.

APPLICATIONS INCLUDE:

- ▶ Disabled access
- ▶ Backstage and catering access
- ▶ Walkways for event attendees
- ▶ Temporary access for heavy goods and equipment
- ▶ Queueing systems on uneven terrain

Let us create a ramp system that ensures safety, efficiency, and ease of use for your event.

RAMP FOR WINTER WONDERLAND

TEMPORARY STAIRCASES

For a staircase solution that's safe, functional, and tailored to your event, get in touch with our team today.

We offer a wide range of staircase solutions, providing truly bespoke public access systems for your event. Using the Layher Scaffolding System, we design and build staircases tailored to your exact needs without compromising on safety or functionality.

From practical back-of-house staircases to elegant VIP hospitality entrances with carpeted steps, our staircases are designed to suit any purpose. Finishing options include painted plywood hoarding, high-density netting, and branded elements, ensuring a professional look for your event.

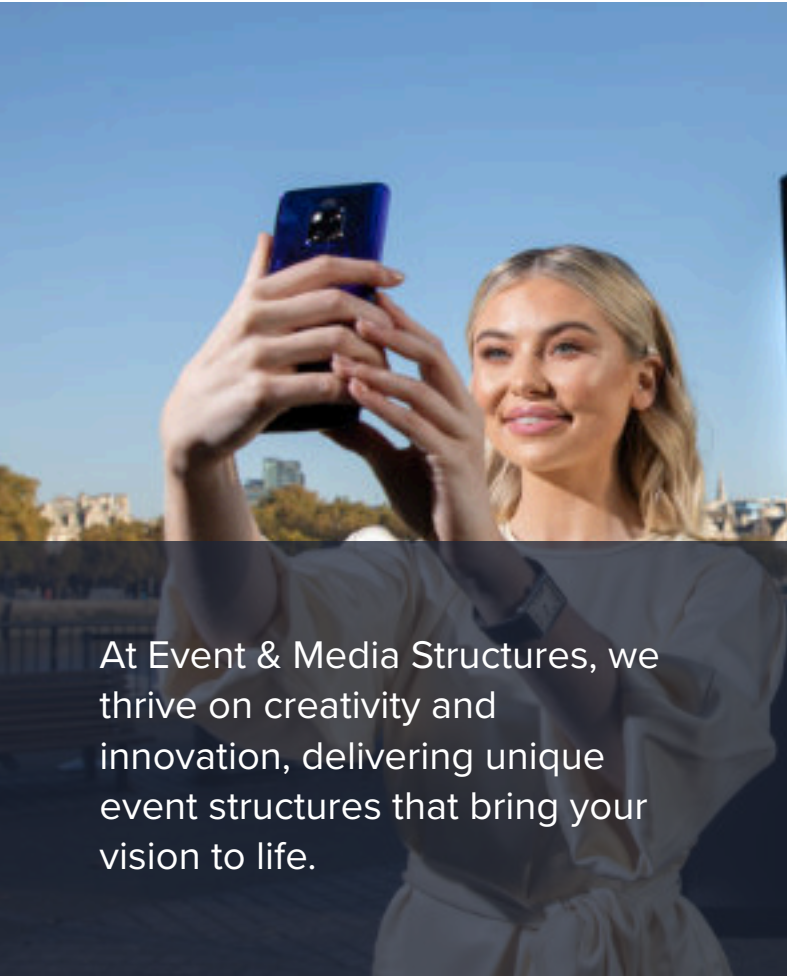

OUR STAIRCASE OPTIONS:

- ▶ **Public Access System Staircases:** Fully adaptable to meet demanding specifications, these modular staircases are ideal for front-of-house, site entrances, cabin access, and fire escapes. Painted ply board fascias and optional branding ensure a slick finish.
- ▶ **Bespoke Staircases:** Customised to integrate seamlessly with displays, stages, and hospitality areas. Options include carpets, painted cladding, and branded designs to match your event's theme.
- ▶ **Integral Staircases:** Space-saving and cost-effective, these staircases are constructed within scaffold structures. High-density netted screening ensures they blend perfectly with their surroundings, ideal for confined spaces and fast builds.

APPLICATIONS INCLUDE:

- ▶ Access to hospitality areas and marquees
- ▶ Back-of-house and catering access
- ▶ Queueing systems on uneven terrain
- ▶ Integral staircases for tight spaces

BESPOKE STRUCTURES

At Event & Media Structures, we thrive on creativity and innovation, delivering unique event structures that bring your vision to life.

WELCOME TO
A HIGHER INTELLIGENCE

HUAWEI AI INTERACTIVE RUBIKS CUBE

DJ BOOTH HIGH POINT FESTIVAL

From temporary art installations and pop-up spaces to suspended stages and outdoor nightclubs, our expert team has a proven track record of crafting imaginative solutions for some of the most exciting projects.

If you have an idea or project in mind, we'd love to help turn it into reality.

OUR BESPOKE STRUCTURES INCLUDE:

- ▶ Art installations and scaffolding art
- ▶ Climbing walls and obstacle courses
- ▶ Exhibition platforms and interactive gaming structures
- ▶ Fashion show catwalks, sets, and stages
- ▶ Handrails and safety solutions
- ▶ Mazes for events and attractions
- ▶ Skate ramps and berms

OBSTACLE COURSES

For temporary assault runs or obstacle courses, look no further than Event & Media Structures Ltd.

Event & Media Structures specialises in designing, engineering, and constructing bespoke temporary obstacle courses for a wide range of events. Whether you're planning a simple challenge or a large-scale, complex course, our experienced team will manage every detail, ensuring a seamless and safe experience for participants and organisers alike.

From rope swings and climbing frames to public access solutions and event signage, we offer fully customisable designs to meet your exact requirements.

OUR OBSTACLE COURSE EXPERTISE INCLUDES:

- ▶ **Tough Mudder-Style Challenges:** Large-scale assault courses featuring mud runs, rope climbs, and water obstacles designed to test endurance and teamwork.
- ▶ **Parkour Courses:** Dynamic setups featuring jumps, vaults, and climbing challenges that cater to freestyle movement enthusiasts.
- ▶ **Custom Features:** Rope swings, cargo nets, climbing walls, and elevated platforms tailored to your event's goals and audience.
- ▶ **Signage & Branding:** Professional event signage and branding integration to enhance the participant experience and create a polished look.

HANDRAILS FOR EVENT STRUCTURES

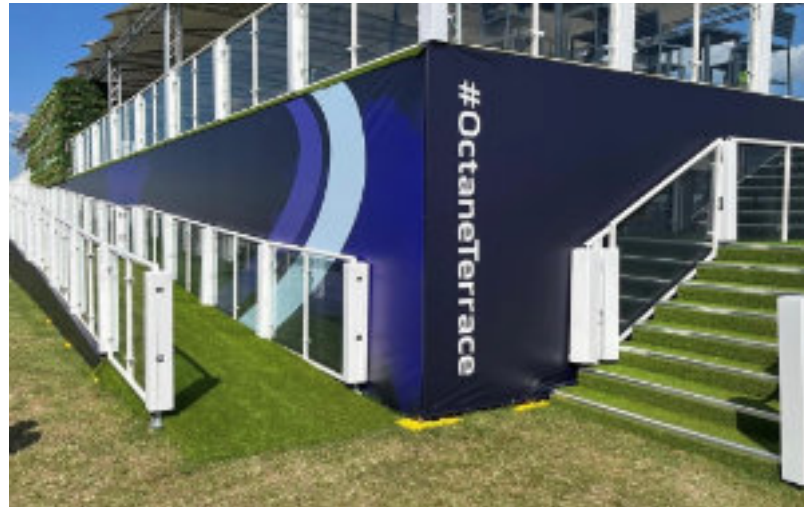

WHY CHOOSE US?

Not all balustrade systems are suitable for every event, which is why our team of designers, engineers, and fabricators works closely with you to create a solution tailored to your needs. Using advanced CAD software, we design and visualise your handrails before manufacturing, ensuring a flawless result every time.

At Event & Media Structures, we provide innovative handrail solutions that prioritise safety without compromising style. From elegant glass balustrades for VIP areas to practical Key Clamp systems for back-of-house use, we offer a wide range of options tailored to your brand and event requirements.

For truly unique designs, our bespoke manufacturing service allows you to visualise your handrails in advance with 3D CAD models, ensuring the perfect fit for your event.

HANDRAIL OPTIONS:

Glass Handrails

Sleek and professional, our temporary glass handrails meet all current safety regulations, providing peace of mind for public access. Ideal for viewing platforms, ramps, stages, and staircases, these modular systems minimise visual obstruction and are a popular choice for disability access.

Wooden Handrails

Combining functionality with style, our wooden handrails offer a premium look at a temporary price. From simple post rails to bespoke edge protection, we provide solutions to suit both practical needs and ambitious designs.

Key Clamp Handrails

Durable and customisable, our Key Clamp handrails are designed for safety and style. Galvanised for long-lasting performance, they're available in a range of colours to blend seamlessly with your event or boldly showcase your brand.

TEMPORARY BRIDGES

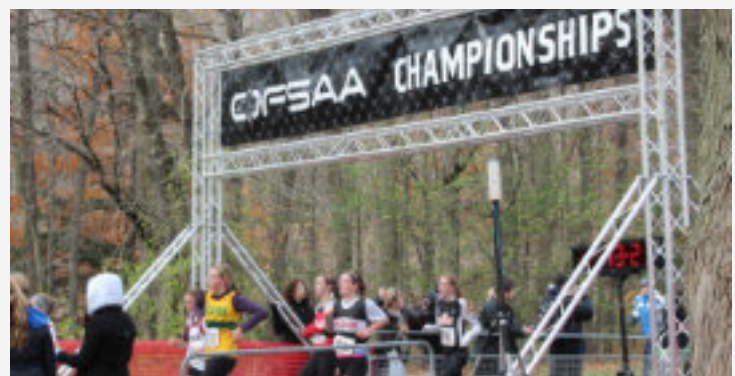

Whether for public access, branding, or event functionality, we'll design and deliver a temporary bridge tailored to your specific needs. **Contact us today** to discuss your project!

With a proven track record of delivering exceptional structures, Event & Media Structures has provided temporary bridges for prestigious projects such as public access walkways at the NEC and finish-line bridges for the London Marathon.

From the initial design stage to on-site installation, our experienced team ensures every bridge meets your requirements and complies with all safety legislation.

MORE THAN JUST ACCESS

Bridges are not only practical solutions for access but also valuable opportunities for event branding. We offer a comprehensive "dressing up" package, including painted timber cladding, high-density netting, and full branding with our in-house design and print service, creating bridges that are both functional and visually impactful.

WE CAN BUILD BRIDGES FOR

- ▶ Temporary pedestrian bridges
- ▶ Temporary vehicle bridges
- ▶ Pedestrian crossings
- ▶ Disabled access bridges
- ▶ Sound and lighting rigs
- ▶ Promotional advertising structures
- ▶ Event entrances and exits
- ▶ Sporting event finish-line bridges
- ▶ Cable and water transportation bridges

SEATING SOLUTIONS

Let us help create the perfect seating arrangement for your next event. **Contact us today** to discuss your requirements!

LIV GOLF VIEWING PLATFORM

From grandstand seating for large sporting events to intimate arrangements for private cinema screenings, Event & Media Structures delivers seating solutions tailored to any occasion.

Using our expertly engineered ground levelling platforms, we can construct seating on almost any surface, including grass, tarmac, and uneven terrain. Whatever the venue, we'll ensure your event is ready to welcome guests in comfort and style.

OUR SEATING SOLUTIONS ARE IDEAL FOR:

- ▶ Marketing showcases
- ▶ Sporting events
- ▶ Fashion shows
- ▶ Public announcements
- ▶ Theatre productions
- ▶ Festivals, fêtes, and galas

STAGING

Whatever your staging requirements, our team will deliver a professional, tailor-made solution to enhance your event. **Contact us today** to bring your vision to life!

From intimate performance platforms to expansive festival stages, Event & Media Structures specialises in creating bespoke staging solutions for events across the UK and Europe.

Our expert team has worked on high-profile projects, providing stages for world-class fashion shows, music festivals, conferences, and more. With an emphasis on safety, functionality, and aesthetics, we ensure your stage becomes the focal point of your event.

WE PROVIDE STAGES FOR

- ▶ Festival stages and DJ platforms
- ▶ Modular and covered stage rental
- ▶ Conference staging and production services
- ▶ Wedding reception and private party stages
- ▶ Tiered seating and raised dance floors
- ▶ Catwalks for fashion shows
- ▶ Integrated lighting and sound systems
- ▶ Concert and band stages
- ▶ Stages for speeches, sporting events, and opening ceremonies

EMERGENCY TEMPORARY & CRISIS SUPPORT STRUCTURES

Our team delivers a first-class, efficient service to help you respond to any emergency quickly and effectively. Contact us today to discuss your requirements.

Event & Media Structures Ltd specialises in providing rapid and efficient emergency structures and space solutions to support critical needs. From temporary hospitals and vaccination centres to recovery infrastructure and crime scene spaces, our expert team is equipped to handle urgent projects with professionalism and precision.

Our modular temporary classrooms offer a fast, reliable solution for schools affected by the RAAC crisis. Quickly deployed and fully equipped, they provide safe, modern learning spaces to minimise disruption and restore normal school operations.

OUR EMERGENCY SOLUTIONS INCLUDE:

- ▶ Additional warehousing and Brexit storage tents
- ▶ Crime scene spaces and quarantine tents
- ▶ Drive-thru testing areas
- ▶ Emergency classrooms and canteen spaces
- ▶ Temporary hospitals and vaccination centres
- ▶ Recovery and rescue infrastructure
- ▶ Temporary mortuaries
- ▶ Scaffold towers, platforms, and roofs
- ▶ Temporary pedestrian bridges, ramps, and stairs
- ▶ Social distancing barriers and screening systems
- ▶ Temporary signage and way-finding structures

ADDITIONAL SERVICES:

- ▶ Banners and signage
- ▶ Encapsulated tunnels
- ▶ Façade retention systems
- ▶ Fencing and barriers
- ▶ Freestanding way-finding posts
- ▶ Heavy-duty shelving
- ▶ Hoardings and protection fans
- ▶ LED screens and marine scaffolds
- ▶ Pavement gantries

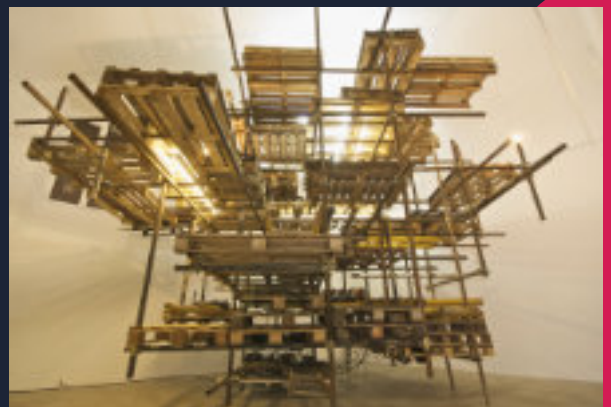

ART & DESIGN SCAFFOLD STRUCTURES

Whether you're envisioning a bold gallery installation, a unique retail display, or an innovative public art project, our team is here to bring your ideas to life. Contact us today to discuss your vision—we'd love to help.

At Event & Media Structures, we specialise in collaborating with artists and fashion brands to create striking scaffold-based installation artworks. Our innovative designs have been featured in major retail spaces, galleries, and public venues across the UK and Europe.

Our portfolio includes collaborations with internationally renowned artists such as Graham Hudson, Carsten Höller, and Eyal Burstein. Notable projects include installations at the Victoria & Albert Museum, The Hayward Gallery in London, and the prestigious Art Basel Festival in Switzerland.

Our scaffold structures have also made an impact in the fashion world, appearing on the runway at London Fashion Week and within iconic retail spaces like Burberry's flagship store and Selfridges in London.

MARQUEES AND COVERED PLATFORMS

Let us create a marquee or covered platform that meets your event's unique needs. Contact us today to discuss your requirements..

Marquees offer the perfect solution for creating versatile, temporary indoor spaces for any event. At Event & Media Structures, we provide a complete marquee design and construction service in partnership with industry-leading providers. From sub-structures and access solutions to furnishings and fittings, we deliver tailored marquees to meet your exact needs.

Whether it's a VIP hospitality suite for a sporting event or a catering pavilion for a music festival, we ensure your marquee is safe, stylish, and perfectly suited to your occasion. From single-story to triple-floor marquees, we'll design and engineer the ideal event space for you.

OPTIONAL EXTRAS INCLUDE:

- ▶ Insulation for comfort in all seasons
- ▶ Fire doors for safety and compliance
- ▶ Secure accommodation for added protection
- ▶ One, two, and three-storey marquees
- ▶ Heating or air conditioning systems
- ▶ Balconies, access stairs, and walkways
- ▶ Roller shutters for functional entry points

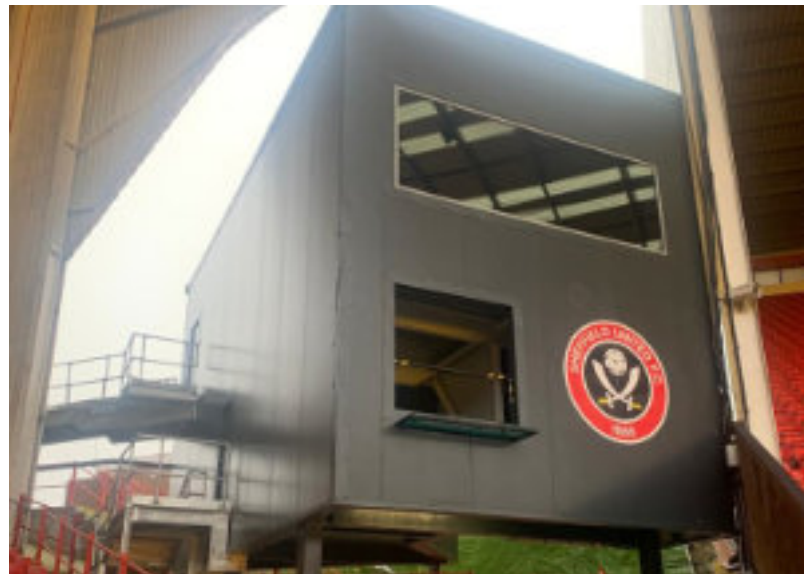

PERMANENT BROADCASTING STUDIOS & COMMENTARY BOXES

From design to installation, our experienced team will manage every detail, ensuring your broadcasting studio or commentary box meets the highest standards. Contact us today to discuss your project.

Event & Media Structures offers purpose-built commentary boxes and broadcasting studios tailored to meet your specific event requirements. From panoramic 180° and 360° views to fully customised structures, we deliver solutions that put you at the heart of the action.

Our commentary boxes are designed for a variety of applications, including broadcasting, surveillance, and live streaming. Whether for sporting events, public broadcasts, or live productions, our renowned structures ensure clear sight-lines and a professional environment.

WE HAVE CREATED STUDIOS FOR:

- ▶ Premier League football clubs
- ▶ Championship rugby teams
- ▶ State visits and televised public occasions
- ▶ Competitive gaming and e-sports
- ▶ Major outdoor sporting venues
- ▶ Media, PR, and security operations
- ▶ External filming and live streaming

FEATURES INCLUDE:

- ▶ Acoustic solutions for optimal sound quality
- ▶ Integrated WC facilities for convenience
- ▶ Custom access solutions for hard-to-reach locations, such as top-tier stands

TEMPORARY BROADCASTING STUDIOS & COMMENTARY BOXES

From concept to installation, we ensure every detail is covered, delivering professional broadcasting solutions tailored to your event. Contact us today to learn how we can help.

POLO IN THE PARK COMMENTARY BOX

At Event & Media Structures, we stay at the forefront of construction technologies to deliver the best solutions for our customers. Our expertise in providing broadcasting studios and commentary boxes has made us a trusted partner for high-profile sporting events, including collaborations with Premier League football clubs.

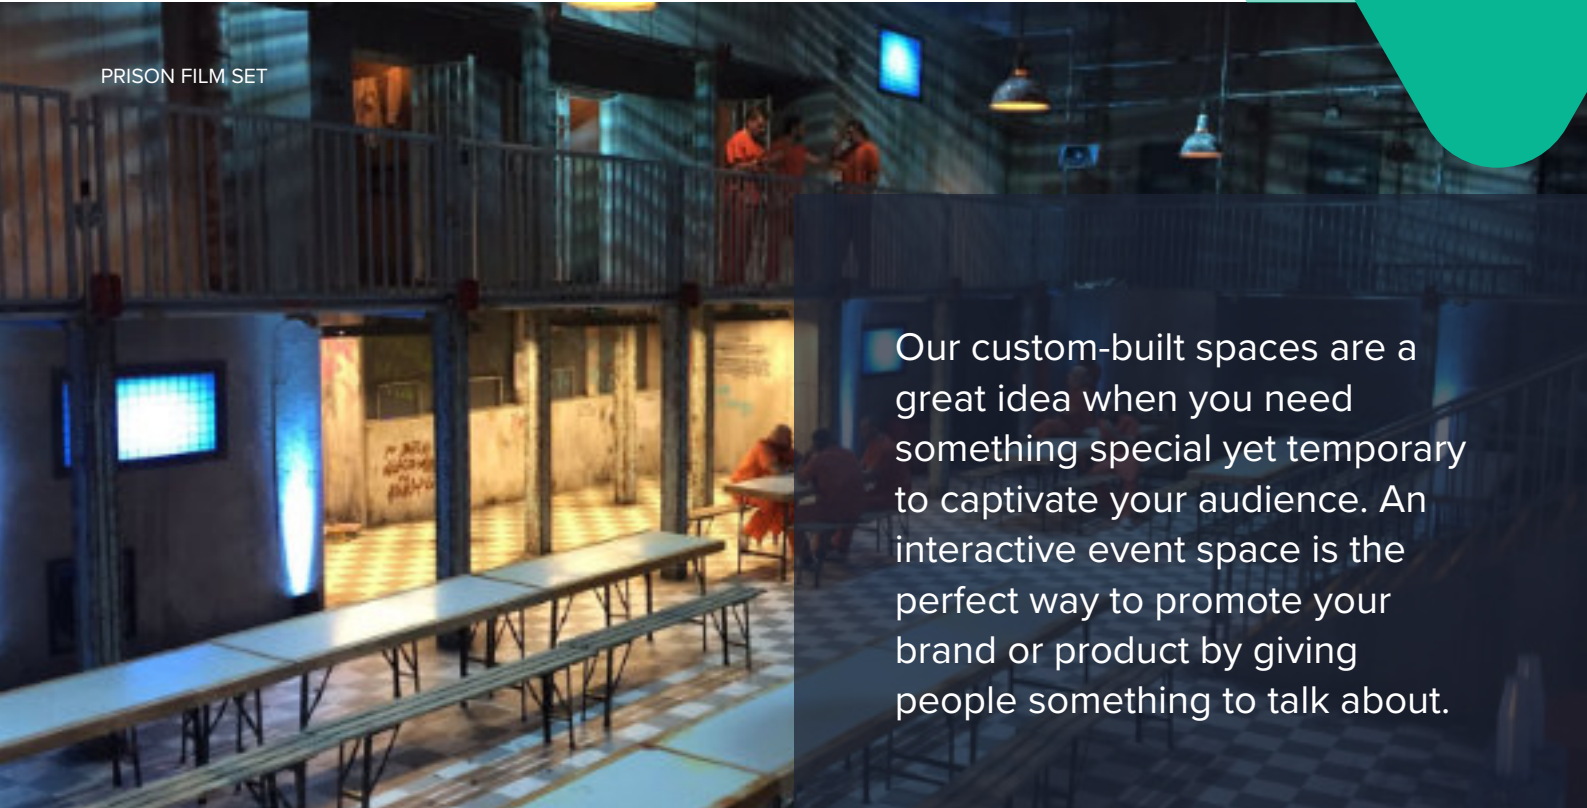

Whether you need a temporary or permanent studio, we offer a comprehensive turnkey service to meet your needs.

OUR SERVICES INCLUDE:

- ▶ Design and engineering
- ▶ Foundations and sub-structures
- ▶ Acoustic doors and windows
- ▶ Thermal and acoustic insulation
- ▶ Data and electrical fit-out
- ▶ HVAC systems
- ▶ Vinyl graphics and branding
- ▶ Testing and compliance

CUSTOM-BUILT SPACES

PRISON FILM SET

Our custom-built spaces are a great idea when you need something special yet temporary to captivate your audience. An interactive event space is the perfect way to promote your brand or product by giving people something to talk about.

When you need something truly unique to captivate your audience, our custom-built spaces offer the perfect solution. Designed to be both special and temporary, these interactive spaces are an innovative way to promote your brand or product, leaving a lasting impression and giving people something to talk about.

With endless design and build possibilities, we utilise a wide range of materials and construction techniques to create spaces that are original, functional, and visually striking. From temporary cinemas and outdoor nightclubs to fine art exhibits, our team has the expertise to bring your vision

PERFECT FOR:

DECORATING

Having the ability to transform your event structure in to something that gives your customers the 'wow' factor is something we pride ourselves on.

At Event & Media Structures, we pride ourselves on attention to detail and creativity, delivering exceptional finishing touches that make your event truly memorable. From bespoke lighting displays to unique props like glitter balls or popcorn stands, our dedication to perfection sets us apart.

With strong relationships across the industry, we have access to a wide range of unique and high-quality decorative elements, ensuring your event is as distinctive as it is seamless.

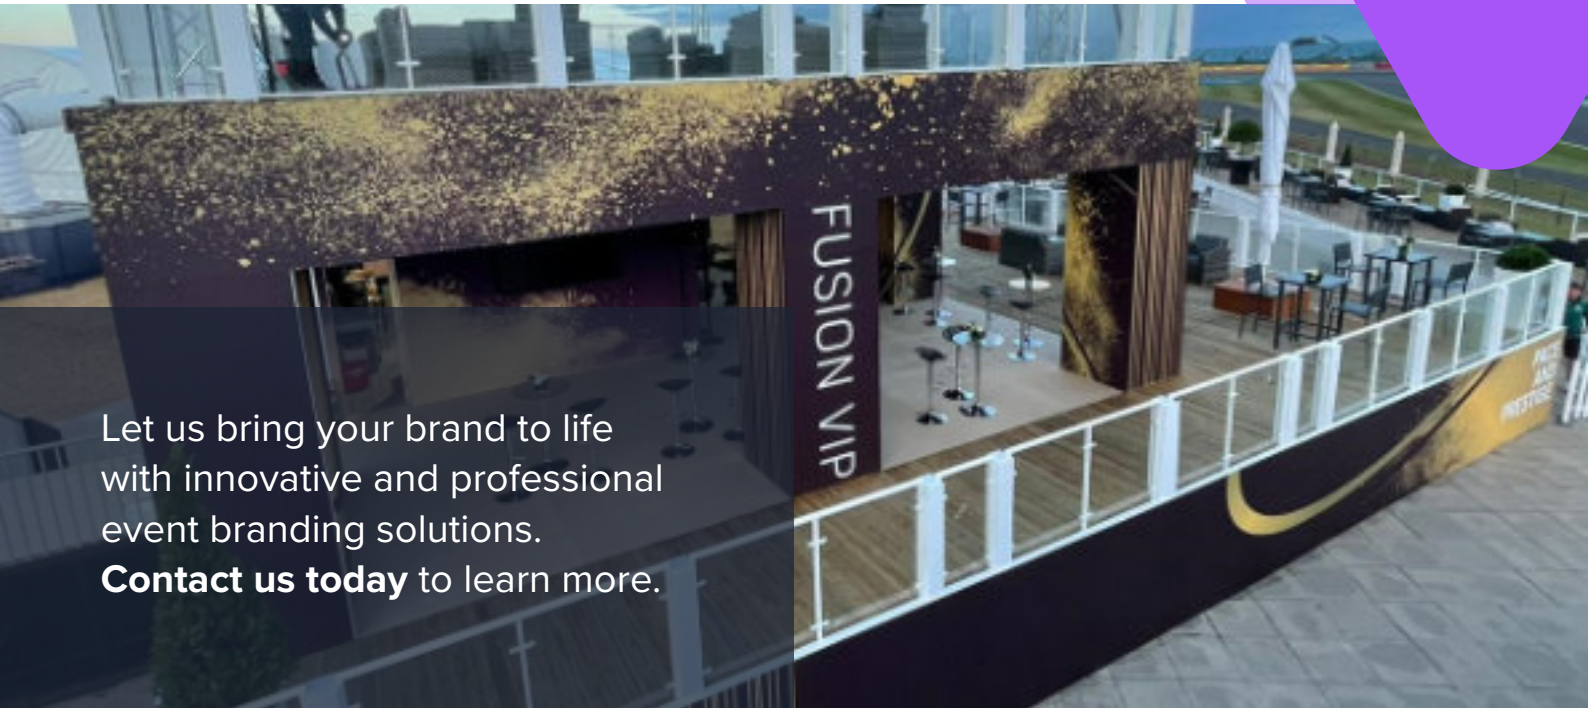

OUR EVENT DECORATING SERVICES INCLUDE:

- ▶ Gobo pattern projections
- ▶ Chair covers, tables, and chairs
- ▶ Branded plinths
- ▶ Stage backdrops
- ▶ Tailored lighting solutions

Let us help you create an unforgettable atmosphere for your event. **Contact us today** to discuss your decorating needs.

EVENT BRANDING

Let us bring your brand to life with innovative and professional event branding solutions. **Contact us today** to learn more.

With extensive experience working on global events, Event & Media Structures Ltd specialises in delivering impactful event branding solutions. From concept to installation, we provide a complete service, including in-house design and printing, ensuring your branding is tailored to your exact requirements.

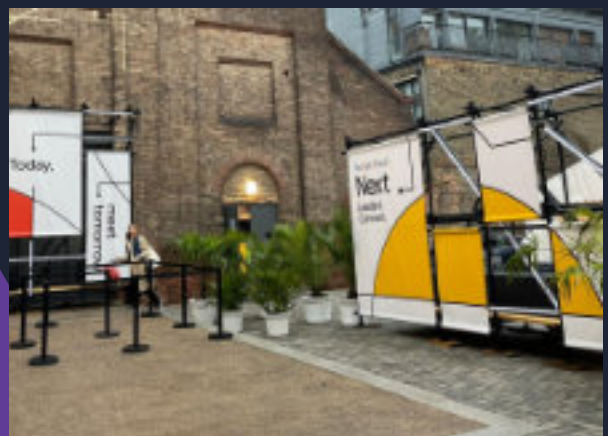

Our event structures, such as towers and bridges, offer exceptional opportunities to showcase key messages and advertising. Whether you need a dedicated mobile tower or simple signage for a bridge or walkway, we can design and construct branding solutions that make your event stand out.

OUR EVENT BRANDING SERVICES INCLUDE:

- ▶ Bespoke designs tailored to your specifications
- ▶ Comprehensive structure and branding packages
- ▶ Flexible and rigid substrate options
- ▶ Sustainable and reusable materials
- ▶ Large-format printing capabilities
- ▶ Full in-house design and print services

BRANDING FOR LONDON PARIS RACE

BRANDING FOR GOOGLE CLOUD EVENT

HOARDING & CARPENTRY

Let us help you achieve a professional finish for your event structures. **Contact us today** to discuss your requirements.

The finishing touches make all the difference when it comes to marquee sub-structures, temporary staircases, or other event structures. At Event & Media Structures, we provide seamless, professional hoarding solutions that ensure your event space looks polished and complete.

Using materials such as high-density netting, ply-board, and steel, we can accommodate almost any finish and match your event or company branding. With our in-house printing service, we prefabricate hoarding panels at our warehouse, reducing on-site installation time. All materials are fire safety tested and eco-friendly, providing peace of mind while you focus on your event.

APPLICATIONS INCLUDE:

- ▶ Perimeter hoarding
- ▶ Sub-structure masking
- ▶ Temporary staircase and ramp hoarding
- ▶ Storage compartments within temporary structure bases
- ▶ Bridge finishing and undercarriage covering

FILM & THEATRE SET DISPLAYS

Whatever your idea, no matter how bold or unconventional, our team of specialist carpenters, engineers, and set designers is ready to make it happen. Contact us to explore the possibilities and be inspired.

Bring your vision to life with bespoke set displays from Event & Media Structures.

Whether you're creating a Winter Wonderland of sculpted ice or an Enchanted Forest with stunning visuals, we design and build original sets that add the "wow" factor to music festivals, private parties, or feature films.

Our expert design team combines creativity with cutting-edge technology, utilising tools like 3D printing, 7-axis CNC robotic sculpting, and dual-component spraying systems to turn your concepts into reality.

Our portfolio includes reimagining iconic venues like the 'Nation' nightclub for Creamfields, building a fully immersive prison set for a Halloween event, and crafting ice kingdoms and suspended DJ booths for private parties.

OUR EXPERTISE INCLUDES:

- ▶ Immersive themed environments
- ▶ Custom venue recreations for festivals and events
- ▶ Bespoke film and theatre sets
- ▶ Innovative light displays and suspended structures
- ▶ Cutting-edge fabrication using 3D printing and CNC sculpting
- ▶ Specialised design for private parties, festivals, and film productions

- ▶ Comme des Garçons – Concrete Installation in Selfridges

EVENT PRODUCTION SERVICES

Let us use your vision and our expertise to create an exceptional event structure. **Contact us today** to discuss your next project!

At Event & Media Structures, we take care of everything to ensure your event is flawless. Whether it's a concept you've envisioned or one we've developed with you, our full-service production approach combines creativity, precision, and professionalism to make your event truly unforgettable.

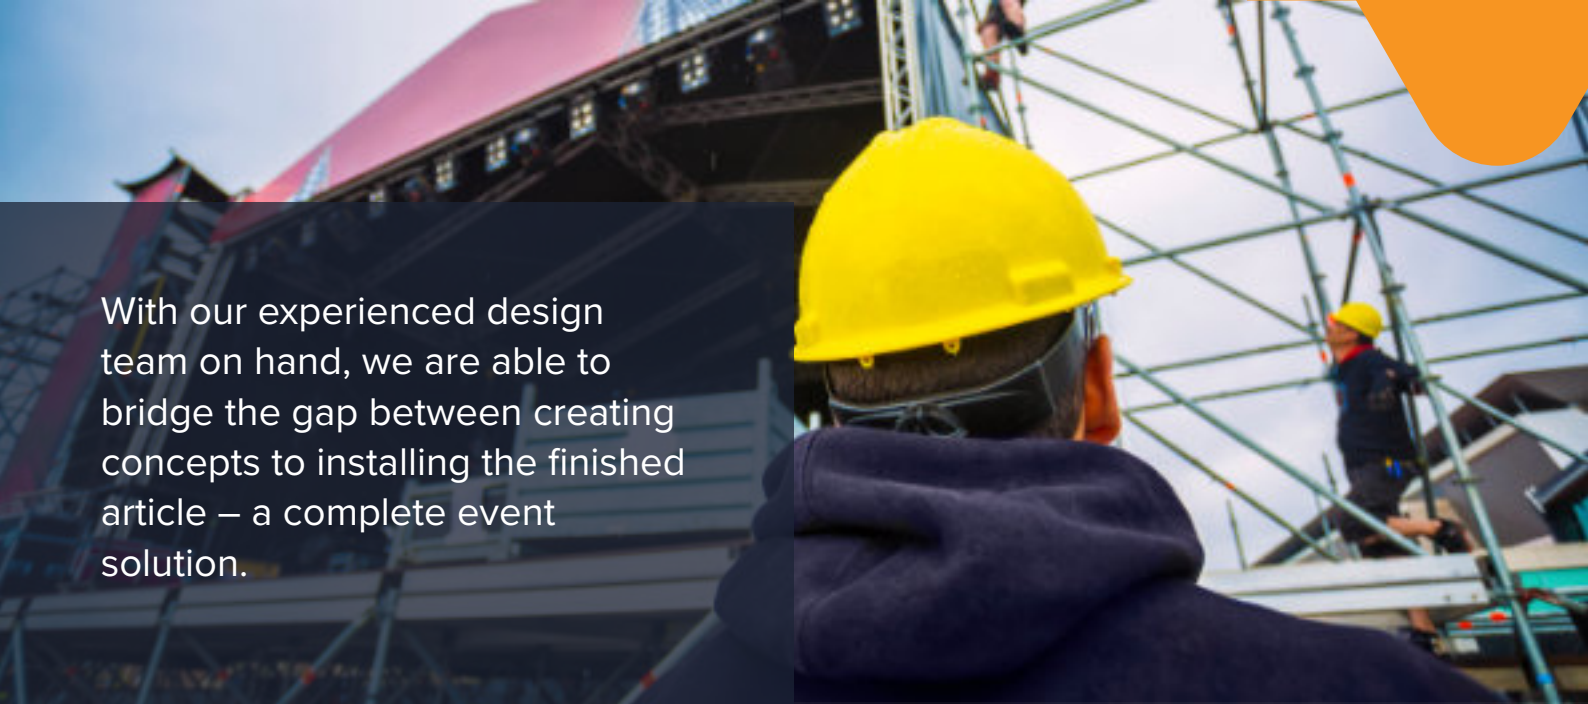

From the first idea to the final execution, our experienced team of designers, engineers, and technicians handles every detail, ensuring your event exceeds expectations and leaves a lasting impression.

OUR COMPREHENSIVE SERVICES INCLUDE:

- ▶ **Concepts, Designs, and Engineering:** Innovative ideas brought to life with technical expertise and precision.
- ▶ **Custom Structures and Staging:** Bespoke stages, modular platforms, and tailored sets designed to fit your event.
- ▶ **Branding, Theming, and Décor:** Immersive styling, custom backdrops, and branding solutions to showcase your identity.
- ▶ **Lighting and Effects:** Create the perfect ambiance with professional lighting and captivating special effects.
- ▶ **Sound and Vision:** High-quality PA systems, microphones, and screens to deliver your message with clarity and impact.
- ▶ **Styling and Finishing Touches:** Elegant and creative décor to elevate your event and make it one to remember.
- ▶ **Venue Support:** We work closely with venues to maximise space and ensure every element fits perfectly.

EVENT STRUCTURE DESIGN & ENGINEERING

With our experienced design team on hand, we are able to bridge the gap between creating concepts to installing the finished article – a complete event solution.

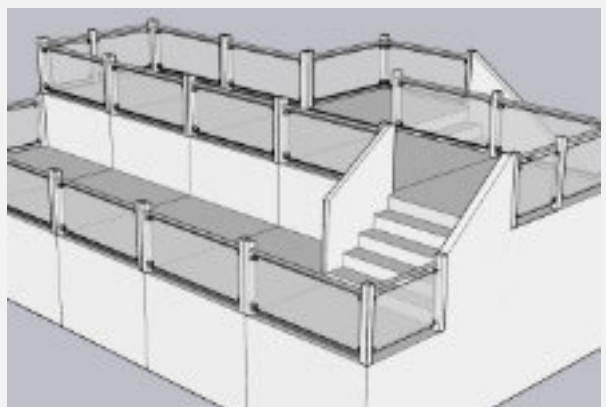

At Event & Media Structures, we specialise in designing and engineering a wide range of event structures, from bespoke creations for fashion houses to camera towers and finish-line gantries for international sports events. Regardless of the size or complexity of your project, we take pride in delivering excellence every step of the way.

Our engineering team uses advanced modelling techniques to ensure your structure is compliant with all regulations and safe for use. We provide detailed reports that include calculations, analysis, and recommendations on load limitations, support, and ballast requirements.

Whether you need structural analysis, design advice for a unique project, or compliance checks for bespoke structures, our tailored services are designed to meet your needs and deadlines. Our expertise extends to trussing, staging, and temporary structures, working with both aluminium and steel to create reliable solutions.

FENCING & BARRIER HIRE

Ensure your event runs smoothly and safely with our fencing and barrier hire solutions. Get in touch today to discuss your requirements.

We offer a comprehensive range of fencing and barrier hire solutions designed to provide secure crowd control, access management, and perimeter safety for events of all sizes. From small private functions to large-scale festivals, our systems are reliable, practical, and tailored to meet your event's needs.

CROWD CONTROL BARRIERS

Lightweight, durable, and easy to deploy, our crowd control barriers are perfect for guiding pedestrian traffic, managing queues, and securing entry points or restricted zones. They are designed to ensure safety while blending seamlessly into any event environment.

TEMPORARY FENCING

Ideal for securing perimeters, safeguarding restricted areas, or creating boundaries, our temporary fencing panels are robust, quick to install, and versatile. Applications include site security, backstage zones, and equipment storage areas.

FENCING & BARRIER OPTIONS:

- ▶ Anti-climb fencing
- ▶ Pedestrian gates
- ▶ Vehicle gates and barriers
- ▶ Anti-tamper clips
- ▶ Fence sheeting
- ▶ Fixed feet barriers
- ▶ Pit barriers
- ▶ Police 'D' barriers
- ▶ Flat feet barriers
- ▶ Plastic one-piece barriers

LAYHER SITE STAIRCASES HIRE

Discover the reliability and efficiency of Layher site staircases for your next event. **Contact us today** to discuss your dry hire needs.

Layher site staircases provide safe, efficient access solutions for event setups and temporary structures. Designed for quick assembly, these modular stair systems are lightweight yet robust, making them ideal for a wide range of applications, including backstage areas, elevated platforms, viewing structures, and multi-level setups.

WHY CHOOSE LAYHER?

Layher site staircases stand out for their superior design, flexibility, and performance compared to alternatives like Haki. They feature faster assembly, greater adaptability, enhanced stability, and are engineered for heavy use. With intuitive connections and proven quality, Layher staircases are a trusted choice in the event industry.

Discover the reliability and efficiency of Layher site staircases for your next event. Contact us today to discuss your dry hire needs.

KEY FEATURES:

- ▶ **Safe Access:** Secure and stable for all levels of event structures.
- ▶ **Quick Assembly:** Modular components reduce setup time.
- ▶ **Adaptable Design:** Configurable to various heights and spaces.
- ▶ **Durable Construction:** High-quality materials ensure longevity.
- ▶ **Event-Friendly:** Perfect for backstage use, platforms, and tiered structures.

TEMPORARY ROOF HIRE

For dependable temporary roof solutions, **contact us** to discuss your dry hire needs.

Protect your event structures from the elements with our reliable temporary roof systems, available for dry hire. Ideal for stages, temporary venues, storage areas, and other event needs, our roofs ensure uninterrupted events regardless of weather conditions.

TEMPORARY ROOF SYSTEMS

Crafted from lightweight yet durable aluminium, our temporary roof systems are easy to assemble and provide excellent load-bearing capabilities. Designed to span various widths, they offer versatility and dependable weatherproof coverage for a wide range of applications.

KEDER ROOF SHEETING

Our Keder roof sheeting adds robust protection to your setup, shielding against rain, wind, and debris. Lightweight and easy to install, these weather-resistant panels deliver a secure and durable covering for your event structures.

KEY BENEFITS:

- ▶ **Weather Protection:** Reliable shielding from rain, wind, and environmental elements.
- ▶ **Lightweight and Durable:** Aluminium systems and Keder sheets combine ease of handling with excellent performance.
- ▶ **Quick Installation:** Saves time during event preparation.
- ▶ **Versatile Applications:** Suitable for stages, venues, storage areas, and more.
- ▶ **High Performance:** Stable and dependable, designed for all event conditions.

LAYHER STAGE HIRE

Whether you're hosting a concert, fashion show, or corporate event, Layher stages provide the durability, safety, and adaptability required for a successful event. **Contact us** to learn more about our stage hire solutions.

Layher stages offer versatile and dependable staging solutions for events of all sizes. From small performance podiums to expansive concert stages, our modular systems adapt seamlessly to both indoor and outdoor environments, ensuring a safe, professional, and adaptable performance space tailored to your needs.

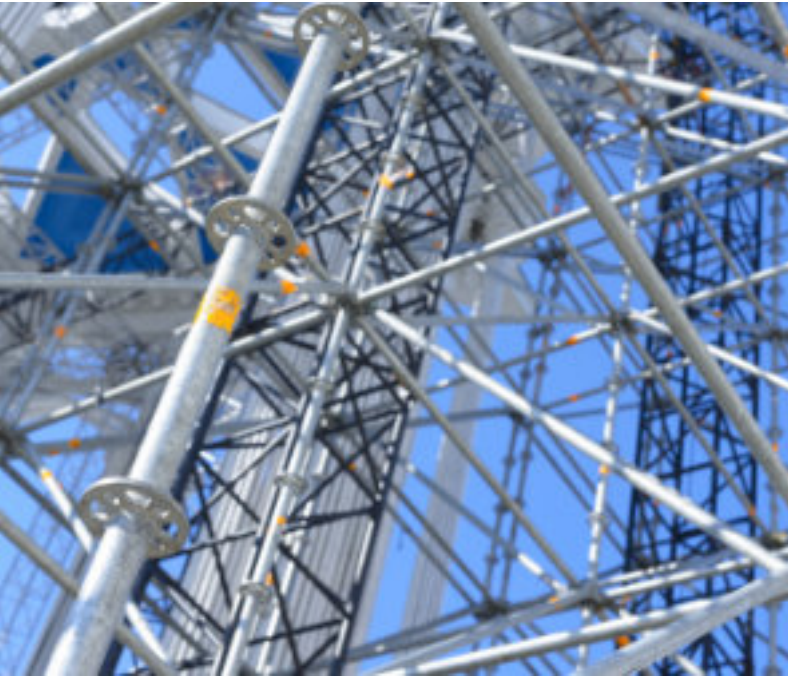

KEY FEATURES:

- ▶ **Modular Design:** Expandable layouts to suit a variety of dimensions and performance levels.
- ▶ **Customisable Options:** Compatible with a range of roof and support systems for specific event requirements.
- ▶ **Robust Construction:** Built with Layher Allround scaffolding for exceptional load-bearing capacity and fast assembly.
- ▶ **Durable Materials:** Aluminium, galvanised steel, and coated plywood panels provide weather resistance and longevity.
- ▶ **Practical Handling:** Ergonomic design with low-wear components and corrosion protection for reliable performance.

Engineered to excel in challenging environments, Layher stages ensure stability and precision, even on uneven terrain. With a load capacity of up to 7.5 kN/m² and heights of up to 10 metres (subject to structural needs), they meet strict safety standards certified by inspection authorities.

LAYHER EVENT SYSTEMS HIRE

Choose Layher Event Systems for dependable and flexible solutions that elevate your event infrastructure. **Contact us today** to discuss your requirements.

Layher Event Systems provide versatile, reliable solutions for a wide range of event requirements. Engineered for efficiency and safety, these systems are ideal for creating temporary structures tailored to the demands of the event industry.

GRANDSTANDS

Our grandstand platforms enhance capacity and optimise viewing experiences for indoor and outdoor events. Configurable with or without seating, they can include additional features such as access stairways, ramps, and temporary roofing to meet your event's specific needs.

SEATING SYSTEMS

We offer flexible, comfortable seating options for any venue. From economical benches to bucket and folding seats, our systems integrate seamlessly with Layher stages, platforms, and access stairways, providing practical solutions for both indoor and outdoor events.

STAGING SYSTEMS

Layher staging systems deliver optimised performance for concerts, shows, and sporting events, even on uneven terrain. With nearly limitless options for extension and compatibility with various roof and support systems, they are easy to assemble, dismantle, and transport.

RAMPS

Constructed using Layher Allround® equipment, our ramps cater to wheelchair access and specialised uses like skiing or snowboarding events. Customisable in shape, length, and angle, they come with guardrails and child safety features to meet diverse event needs.

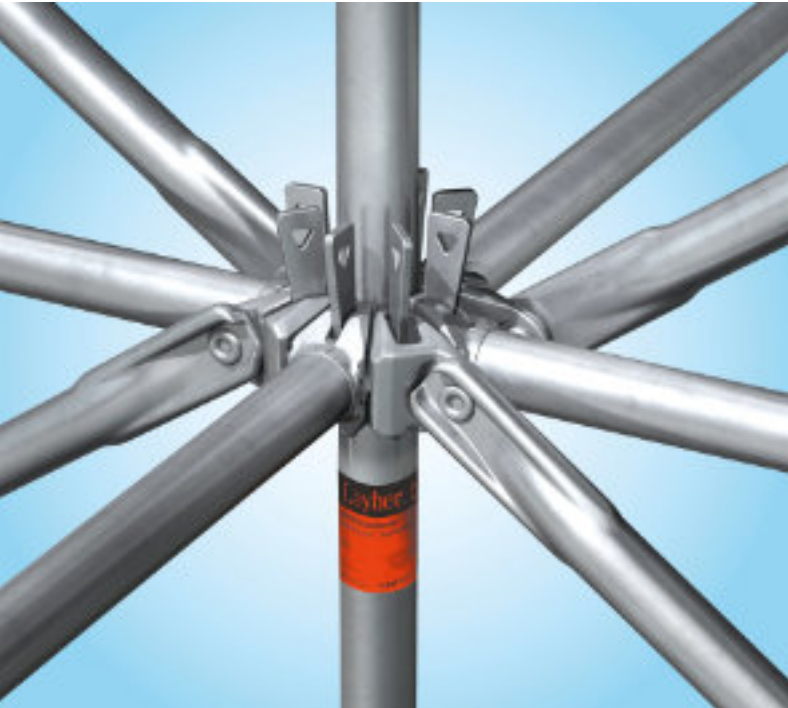

STAIRS

Our public access and site stair towers are designed for ease of installation and user safety. Available in multiple configurations and widths, they seamlessly integrate with Layher staging and seating, facilitating safe and efficient crowd movement.

BRIDGING TRUSS SYSTEMS

The Layher Allround® Bridging Truss System offers spans up to 18 metres, ideal for rigging systems, PA wings, camera towers, advertising towers, and cable bridges. Compatible with Layher Allround® Scaffolding, it features options like event decking, childproof guardrails, and temporary roof sections, providing unmatched versatility for event applications.

LAYHER ALLROUND SCAFFOLDING HIRE

For versatile and reliable scaffolding solutions, choose Layher Allround Scaffolding. **Contact us today** to discuss your hire needs.

Layher Allround Scaffolding is the trusted choice for constructing versatile and durable event structures. Ideal for stages, grandstands, ramps, and other temporary installations, this modular system is designed for efficiency, reliability, and ease of use.

WHY CHOOSE LAYHER ALLROUND SCAFFOLDING?

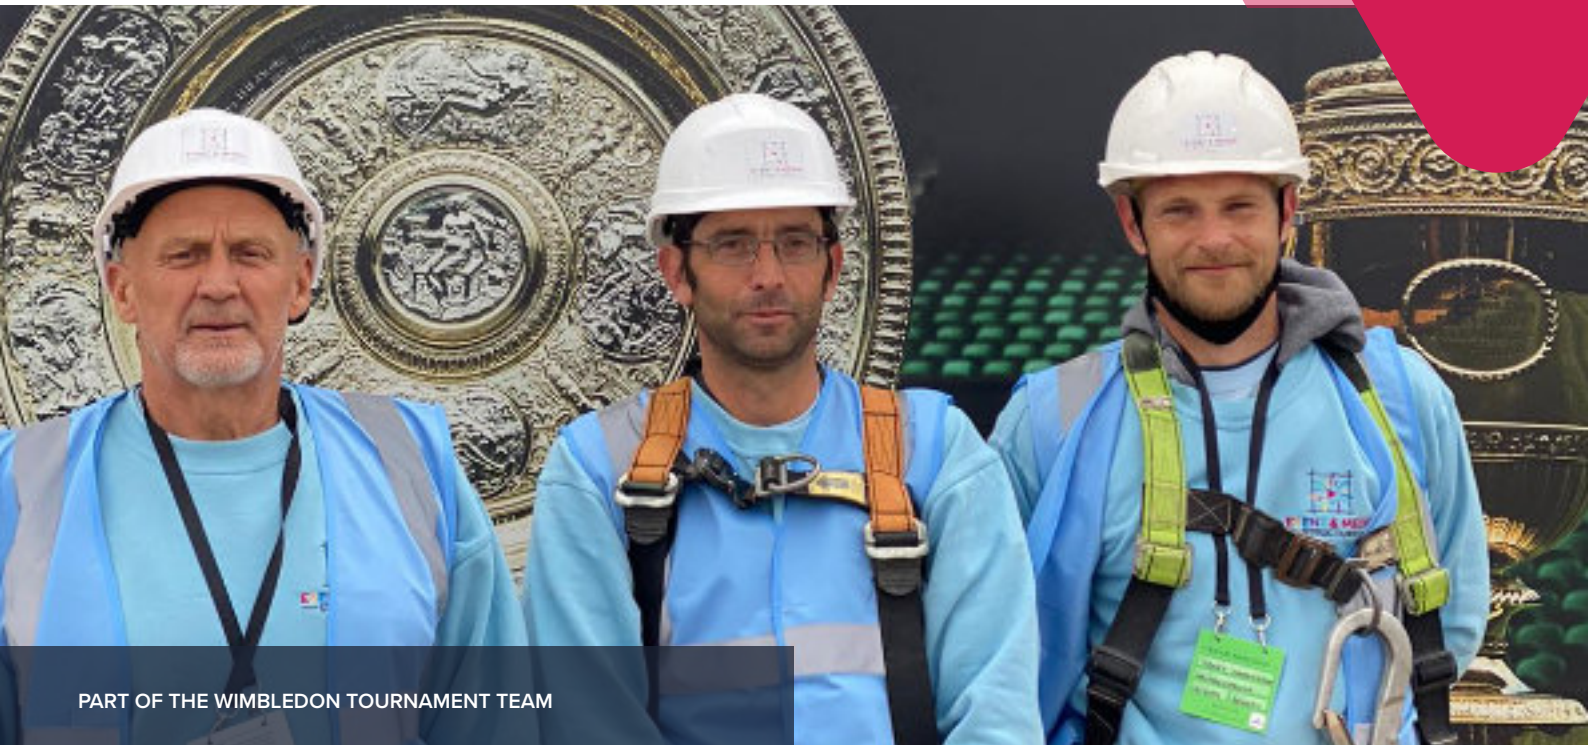

- ▶ **Modular Flexibility:** Quick to assemble and disassemble, adapting seamlessly to various layouts.
- ▶ **High Load-Bearing Capacity:** Engineered to handle demanding structural requirements.
- ▶ **Durable Materials:** Made from galvanised steel and aluminium for long-lasting performance.
- ▶ **Precision Engineering:** Secure assembly with rosette connectors, even on uneven terrain.
- ▶ **Safety Compliance:** Fully meets UK safety standards for secure event environments.
- ▶ **Compact Design:** Efficient to store and easy to transport.

AVAILABLE IN IMPERIAL AND METRIC SIZES

Our Layher Allround Scaffolding is available for dry hire in both imperial and metric sizes, ensuring compatibility with a wide range of projects and requirements. No matter your event's specifications, our inventory is equipped to deliver the perfect solution.

ABOUT US

PART OF THE WIMBLEDON TOURNAMENT TEAM

At Event & Media Structures Ltd, we bring creativity and technical expertise together to turn your ideas into reality. From concept to completion, we deliver bespoke designs tailored to your needs, ensuring every project exceeds expectations.

With decades of experience, our team has built temporary structures for leisure, television, theatre, sports, and entertainment events across the UK and Europe. Whether it's a music festival, a head-of-state visit, or a corporate event, we have the skills to make it happen.

WHAT MAKES US DIFFERENT

We thrive on tackling complex ideas with innovative solutions. From fashion show catwalks and stage sets to installation artworks and pop-up cinemas, we go beyond building structures by sourcing the perfect finishing touches to create standout experiences. Our passion for sports has seen us build media towers, viewing galleries, and hospitality suites for major events like the F1 Grand Prix and Wimbledon.

WHY CHOOSE US?

We're problem-solvers who deliver safe, professional, and budget-conscious solutions—on time, every time. Our skilled and courteous team ensures every detail is handled with care, which is why so many clients return to us year after year.

OUR EXPERIENCE

From the London 2012 Olympic Games to the English Premier League and international sporting events, we've worked on some of the UK's most prestigious projects.

COMMITMENT TO SUSTAINABILITY

We are dedicated to reducing our carbon footprint by incorporating sustainable practices wherever possible, leaving a positive impact on the planet and our clients.

OUR VALUED CLIENTS

We're proud to have worked with some of the most prestigious organisations and events in the UK and beyond. From globally recognised brands to major sporting events and cultural showcases, our clients trust us to deliver innovative solutions that exceed expectations. Here are just a few of the names we've had the privilege of collaborating with.
