Marquee Sub-Structures & Ground-Levelling Platforms

3

Event & Media Structures
ltd can provide marquee
sub-structures for any event.

Our superb scaffold support
systems and ground-levelling
solutions allow you complete
freedom when choosing the
location of your event structure.

Main uses include

- Temporary ice skating rinks
- Marquees & cabin sub-structures
- Event walkways & raised platforms
- Viewing & wheelchair platforms
- Outdoor exhibition stands
- Shows & exhibitions

4

Score & Advertising boards

Our scoreboards have seen outings at multiple prestigious sporting events and occasions for many years.

Main uses include

- Scoreboards/Leaderboards
- Promotional content
- Way finding signs
- Public information
- Sponsorship advertising
- Event information

Using traditional scaffolding or Layher systems, we offer a tried and tested solution, ready to brave the harshest of environments.

We can custom design, engineer and construct each freestanding structure to the specific aesthetical requirements of our customer. We also offer a branding service to provide a turn-key solution.

Towers & Platforms

5

The staff at Event & Media

Structures Ltd have provided bespoke camera towers and state of the art viewing platforms to some of the largest names in media.

Whether you're broadcasting, recording or spectating, we have everything covered. From design and engineering to hoarding and coverings, Event & Media Structures Ltd will take care of every incidental.

We provide

- Camera towers
- Security towers
- Lighting platforms
- Commentary platforms
- Mobile towers
- Spectator towers
- Promotional towers
- Cable towers

6

Fencing & Barriers

When it comes to event crowd

control, Event & Media Structures Ltd have you covered. Fully compliant with health and safety legislation, our fencing and barrier solutions offer practicality whilst ensuring your event-goers are well protected and able to enjoy themselves as intended.

Event & Media Structures Ltd are able to provide our customers with a truly bespoke ramping solution.

We'll listen to your needs and provide you with a tailor made solution.

Fencing and barrier options include

- Anti-climb fencing
- Pedestrian gates
- Vehicle gates & barriers
- Wooden picket fencing
- Fence sheeting
- Fixed feet barriers
- Pit barriers
- Police 'D' barriers
- Flat feet barriers
- Plastic one piece barriers
- Pedestrian access barriers

From public access ramps to glamorous VIP hospitality entrances, Event & Media Structures Ltd have everything covered. We offer a range of professional finishes including: painted hoarding, branding, multiple platform surfaces and a variety of handrail applications.

From temporary fire escape staircases to front of house marquee entrances, Event & Media Structures Ltd will help you access all areas.

We provide an extensive range of sizes and many configurations to suit any height, shape or space limitation.

Our staircases can be provided stand-alone or combined with our range of platforms, stages and walkways. We offer a choice of floor coverings, handrails and cladding to suit all applications.

At Event & Media Structures Ltd we pride ourselves on our 'can do attitude' which is why our staff have had the pleasure of working on some of the most complex and individual event projects.

From interactive art installations to pop-up cinemas, we always work closely with our clients from design to completion; ensuring that their vision becomes reality.

Our ever-expanding portfolio includes: fashion show catwalks, suspended DJ booths, interactive video game structures and entire nightclubs constructed from scaffolding. Our Creative Team believe that no project is impossible, which has given us the opportunity to work on some of the most interesting projects the events industry has seen.

We have created

- Snowboard, skate and motocross ramps and berms
- Brand awareness concepts
- Fashion show catwalks
- Scaffold art sculptures
- Climbing walls
- Exhibition platforms
- Scaffold nightclub
- Scaffold buildings
- Scaffold mazes

10

Obstacle Courses

For temporary assault runs or obstacle courses, look no further than Event & Media Structures Ltd.

Taking a broad concept or simple idea, we can design, engineer, construct and event manage your activity,

From rope swings and climbing frames to monkey bars and zip lines, we can accommodate an event of any scale. No obstacle course is an obstacle too high.

When it comes to handrails, the staff at Event & Media Structures Ltd have a wealth of experience in providing the right option to suit any occasion.

For situations that require something extra special, we offer a fully bespoke manufacturing service.

From glass balustrades suitable for VIP areas to simple back of house Key Clamp systems, we have everything you need to ensure the safety of your customers whilst maintaining visually pleasing aesthetics.

For situations that require something extra special, we offer a fully bespoke manufacturing service.

From over-water walkways to marathon finish line bridges, the staff at Event & Media Structures Ltd have assisted our customers in delivering outstanding structures for many years.

Not only are bridges a practical access solution for your event, they can also be a great way to display key information and advertising. We offer a complete 'dressing up' package in which the structure can be decorated in various finishes including: painted timber cladding, high density netting and full branding.

We can build bridges for

- Temporary pedestrian access
- Vehicle access
- Pedestrian crossings
- Disabled access
- Sound and lighting rigs
- Promotional advertising
- Event entrances and exits
- Sporting event start and finish lines
- Cable and/or water transportation

We are compliant with relevant safety regulations

“Please be seated”

We know that your event will have very specific seating requirements. With this in mind, we offer each client a unique indoor or outdoor seating solution, whatever the size or scale of the event.

We provide seating for

- Sporting events
- Marketing showcases
- Fashion shows
- Public announcements
- Theatre productions
- Galas and fêtes

Our experienced team will design, engineer and construct your seating, providing you with a hassle free service from start to finish.

As always, health & safety procedures will be implemented throughout the process; giving you a stress free service and peace of mind.

From small performance podiums

to large festival stages, the staff at Event & Media Structures Ltd have constructed staging for many events across the UK and Europe.

Whether you need a bespoke catwalk for a fashion show in Milan or a floating stage for a summer time festival on the river, we can help. All stages are engineered to current safety standards with full structural calculations, allowing you to focus on the things that matter to you most.

We provide stages for

- Event security services
- Festivals
- DJ's
- Modular application
- Outside and indoor use
- Conferences
- Weddings
- Catwalks
- Opening ceremonies
- Sporting events
- Dance floors
- Concerts
- State visits
- Private functions

Event and Media Structures Ltd

are perfectly equipped to install a wide variety of emergency structures and space solutions, rapidly and efficiently. Everything from emergency hospitals and vaccination centres, to crime scene spaces and recovery and rescue infrastructure - we have it covered.

We also provide emergency classrooms and canteen spaces, as well as additional warehousing and storage areas – providing a service to suit you.

We provide

- Additional warehousing
- Brexit storage tents
- Crime scene spaces
- Drive-thru testing areas
- Emergency classrooms
- Emergency canteen spaces
- Emergency hospitals & vaccination centres
- Quarantine tents
- Recovery and rescue infrastructure
- Scaffold towers & platforms
- Social distancing barriers & screening systems
- Temporary mortuaries
- Temporary pedestrian bridges and walkways
- Temporary signage structures
- Temporary ramps & stairs
- Temporary roofs and buildings
- Temporary way finding bridges

At Event and Media Structures one of our passions is working with artists and fashion brands, to create installation art works constructed from scaffold. Our collaborations have appeared in large retail stores, galleries and public spaces throughout the UK and Europe.

To date, we've worked with

internationally celebrated artists Graham Hudson, Carsten Holler and Eyal Burstein, to create installation sculptures, that have appeared at the Victoria & Albert Museum and The Hayward Gallery in London. We've also worked on projects for Graham Hudson at the Art Basel Festival in Switzerland. Our scaffold structures have appeared on the runway at London Fashion Week and in Burberry's flagship store as well as Selfridges in London.

For more information or if you just want to chat about an idea - please get in touch and we'll be happy to help.

SPACES

We always thrive on a creative challenge at Event & Media Structures Ltd and we've delivered some of the most unique spaces the events industry has ever seen.

platforms are the perfect temporary indoor space solution for any type of event. Working with our partners, we are able to offer a complete marquee design and construction service from sub-structure to furnishings and fittings.

Optional extras include

- Heating or air conditioning
- Roller shutters
- Fire doors
- One, two and three-storey marquees
- Balconies
- Access ramps and stairs
- Walkways

... we are on hand to provide you with a safe and stylish marquee to suit any occasion.

Permanent Broadcasting Studios and Commentary boxes

▼ STRUCTURE

▼ CLADDING

► STAIRS

From acoustic solutions to WC facilities, Event & Media Structures Ltd source and construct every aspect of the build. We are also on hand to provide an access solution to the build if it's situated in the top tier of the stand or an awkward area to access.

Permanent Broadcasting Studios and Commentary boxes

21

From sporting events to televised occasions of public interest, our renowned commentary boxes will put you where you need to be; at the heart of all the action. Our structures can be commissioned for broadcasting as well as surveillance at events where clear views of the venue are required.

We have designed and built studios for

- Premier League Football clubs
- Championship Rugby teams
- Major outdoor sporting venues
- State visits
- Competitive gaming
- Media and PR
- Security
- External filming
- Live streaming

We have options for commentary boxes with 180° and 360° views or can design and construct a purpose built structure to your exact event requirements.

Temporary Broadcasting Studios and Commentary boxes

Working on high profile

sporting events is something we have become accustomed to here at Event & Media Structures Ltd. There are not many sporting leagues more prestigious than the English Premier League, which is why newly promoted teams call us time and time again regarding their plans to install new television studio facilities, we are only happy to assist.

We stay up to date with cutting edge construction technologies so our customers always have the best solution possible.

Temporary Broadcasting Studios and Commentary boxes

23

AESTHETICS

When nothing but a slick and seamless finish will do, we offer our clients a dedicated service from the ground up.

● Decorating	27
● Event Branding	28
● Hoarding & Carpentry	29
● Film & Theatre Set Displays	30

We provide

- Interior & exterior painting
- High density netted cladding
- Gobo pattern projections
- Tables, chairs & covers
- Linen
- Cutlery, glassware and crockery
- Floristry and table centrepieces
- Branded plinths
- Stage backdrops
- Lighting solutions

Having the ability to transform your event structure in to something that gives your customers the 'wow' factor is something we pride ourselves on.

Whether you need lighting and event graphics or props and furniture, we have you covered from start to finish. Our key relationships with the industry's most respected suppliers, ensures that your event is dressed up in style.

Having worked on countless global events, the staff at Event & Media Structures Ltd specialise in the production and installation of event branding.

For this reason, we provide a complete event branding solution, including our own design and print service. We can also build dedicated support structures to showcase important messages. When it comes to shape, size and colour, the possibilities are endless.

- Bespoke designs to your exact requirements
- All-in-one structure and branding packages
- Flexible or rigid substrates
- Sustainable and reusable products
- Large formats available
- Full printing service

When it comes to putting the finishing touches on a marquee sub-structure, temporary staircase or any other event structure, you need something that looks slick and seamless.

From high-density netting to hard materials like timber and steel, we can accommodate almost any required finish and can match your company livery or event colour scheme.

All of our hoarding materials are fire safety tested and eco-friendly, giving you peace of mind and allowing you to concentrate on the more important aspects of your event.

Uses include

- Perimeter hoarding
- Sub-structure masking
- Temporary staircase and ramp hoarding
- Storage compartments in temporary structure bases
- Bridge finishing & undercarriage covering

Working closely with artists and set designers, we have the ability to turn initial ideas and concepts in to atmospheric and professional set displays.

Our design team work with cutting-edge design technology, allowing us the ability to create just about anything you require.

... we can design and manufacture your entire set.

CREATIVE

We've masterminded boutique pop-up cinemas and floating DJ booths in our time and we're skilled in creating events and attractions that'll get people talking about your brand.

- Create 32
- Production 33
- Design & Engineering 34

We're a dynamic team at Event & Media Structures Ltd and we love nothing more than a challenge that calls upon our creative talents.

From understanding the concept to getting to grips with your brand, budget and target market, we'll put together a package of ideas for your next event or marketing campaign.

From bespoke marketing concepts

to industry exhibitions, we'll use your vision and our expertise to produce something stellar. Working with our team of skilled craftsmen, we guarantee that your event, however simple or complex, will be completed to the highest standard.

We will work with you to
create something special

With our experienced design team on hand, we are able to bridge the gap between creating concepts to installing the finished article – a complete event solution.

We provide a competitive yet creative service to clients in the events industry, across the UK and beyond. We design and engineer everything from conventional camera towers to bespoke art installations.

... we're always looking
for a new challenge.

Our staff at Event & Media

Structures Ltd have been privileged to be involved in some of the most prestigious events in the UK and beyond. From being involved in projects such as the London 2012 Olympic Games to working for the English Premier League, we have experienced a great deal and look forward to working on more exciting projects in the future.

► We Aim To Please

We are dedicated to providing a service which is professional, safe, within budget and delivered on-time. Operating with a mutual respect for our clients' reputation, we make it our mission to represent them in a professional manner.

Our passionate staff have experience in working on leisure, television, theatre, sports and entertainment events in both the UK and across Europe.

► Problem Solvers
